## **NEW & REBUILT EQUIPMENT WARRANTY**

Carver Machine Works, Inc. (CMW) warrants this equipment, and all parts thereof, against defects in material and workmanship under normal use and service, and shall not have been subject to misuse, negligence or accident, for a period of twelve (12) months from date of first use or twenty-four (24) months from date of shipment, whichever occurs first. We will repair or replace free of charge, f.o.b. CMW plant, such part or parts thereof as in its sole judgment shall be deemed defective, provided, (1) the defect existed at the time of shipment, (2) the User exercises his best effort to prevent further damage, and (3) the User gives CMW immediate written notice upon discovery of the defect.

This warranty expressly does not obligate CMW to bear the cost of travel to and from the installation site, labor in removal or replacement of such defective parts or the cost of transportation of such parts. CMW may, at its option, require return of the defective parts, transportation prepaid, for evaluation or repair.

Damage resulting from improper installation or operation will be considered as misuse and not as defective. Unauthorized disassembly, repairs or alterations outside our factory will void this warranty. No representations or warranties are made that the product will withstand erosion or corrosion.

CMW shall not be liable for failures of or due to customer-supplied materials or customer design. CMW shall not be liable for damage due to or failures of after-market items such as bearings, motors, hardware and etc. and your exclusive remedy shall be limited to the after-market manufacturer's warranty.

CMW shall not be liable for consequential damages or injuries of any kind, or for expenses, losses or delays incident to any failure. CMW reserves the right to make changes or improvements in its product without incurring any obligation to install any such changes or improvements in its products previously manufactured.

This warranty is in lieu of any other warranty expressed or implied and any other obligation or liability on the part of CMW and no other person is authorized to make any representations or warranties beyond those herein expressed.

Without limiting the generality of the foregoing, there is no implied warranty of merchantability and no implied warranty of fitness for a particularly purpose, and therefore CMW does not warrant against process related issues and difficulties.
